Masonite is committed to delivering unsurpassed performance in interior and exterior doors and glass products. We want to provide not just a door, but a total experience, giving you a complete line of products, services and support tools designed around your success.

We are your leading source for the latest trend insights and design ideas, delivering distinctive door styles that complement any home and personal taste. From the classic lines of our new Heritage Craftsman collection to the wide open views of our VistaGrande series, we offer the breadth of exterior door and glass options to meet any performance, material and design need, so you always have the right answer for your customers.

Every product we offer is the result of years of research, design, engineering, and development that begins at the Masonite

Innovation Center in suburban Chicago, the largest facility of its kind in the industry. It is this dedication to a fully integrated design process that sets us apart from the competition and ensures every product we deliver lives up to our exacting standards for quality, consistency and craftsmanship.

YOUR TRUSTED PARTNER

Masonite is not just a trusted leader in exterior doors; we are a powerful partner who helps you elevate the role a door plays in your projects—creating more inspiring customer experiences and stronger business results.

- ▶ AvantGuard. offers a superior appearance by taking a cutting-edge approach to door design. Rather than simply applying stain over a fiberglass facing, a high-quality image is applied over a protective primer layer for an authentic, long-lasting finish.

- ▶ Heritage Series.™ Craftsman door designs are available as an opaque applications in both 6'8" and 8'0" applications to provide privacy and security or add one of the designs from our new Heartland.™ Craftsman decorative glass collection.

- ▶ Factory glazable with new lip lite frame.

- ▶ Belleville. doors feature distinct architectural details, a reinforced lock area and thousands of customizable glass and panel combinations to choose from.

- ▶ Masonite. Steel doors feature high-definition decorative panel profiles that closely replicate the appearance of a high-end wood door with the ultimate in security.
